## US 50 from East of Crackerneck Road to West of St. Rose Road in Clinton County

**Aviston** – The Illinois Department of Transportation today announced that construction will resume on US 50 from 1.0 mile east of Crackerneck Road to 0.2 miles west of St. Rose Road in Clinton County beginning March 1, 2021, weather permitting. Traffic will be reduced to one lane and will be maintained using temporary traffic signals at Sugar Creek, 1.0 mile west of Aviston, and Lake Branch Creek, 1.5 miles east of Aviston. This work is necessary to complete structure repairs. These repairs and final asphalt resurfacing are expected to be completed by July 2021.

Motorists should allow extra time for trips through this area. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

The contractor on this project is The Kilian Corporation of Mascoutah, Illinois.
